MLK DAY OF SERVICE

HUB 206 | 10:00 a.m. - 1:00 p.m.
Join your fellow student veterans this year for Martin Luther King Day of Service. This year, Husky Veterans and the Student Veteran Life team will give back by cleaning up around the Husky Union Building and bringing in other service organizations as well. Jobs are mainly outside and require that you bring your work gloves and a good coat. All volunteers will meet at the Husky Union Building at the Student Veteran Life office (HUB 206) before the start. We will have coffee and donuts for everyone! After the HUB exterior has been cleaned, we will head down to our section of the Burke Gillman Trail and do some trash pickup as well!

CALLING HOME CEREMONY

Intellectual House | 6:00 p.m. - 8:00 p.m.
In the American Indian and Alaskan Native culture, military service is disproportionately higher than the U.S. population at large. As part of the time-honored traditions of many nations, the calling home of warriors after military service is a sacred and communal part of the tapestry of each ALAN Nation. We welcome past, present, and future members of the military community to become a part of the University of Washington.

Winter quarter meetings for Husky Veterans will take place the first Friday of each month, starting on December 6th from 1:30 p.m. - 2:30 p.m. Each meeting will have a theme that support the social and academic success of student veterans at UW. Stay tuned for more information!
